### **Laurie Boner elected to Wyoming Stock Growers Land Trust Board of Directors**

January 20, 2022 - The Wyoming Stock Growers Land Trust announced today that Laurie Boner has been elected to the organization's Board of Directors.

A resident of Glenrock, WY, Laurie wears many hats. Laurie is a rancher operating in both Converse and Natrona Counties, owns and manages LB Designs, is the Coordinator for the Wyoming Wool Growers State Ram Sale, and is the website manager for multiple agricultural companies and organizations. In addition to her day-to-day roles, Laurie is an active member of the Wyoming Stock Growers Association, Wyoming Wool Growers Association, Wyoming Ag Leadership Council (WY LEAD Class 7 Graduate) and the American Quarter Horse Association.

Laurie has an impressive and diverse background in agriculture. She formerly served as the Homeland Security Consultant and as the Consumer Health Services Division Manager for the Wyoming Department of Agriculture. Laurie is also a past member of the Wyoming Livestock Board.

"Laurie's experiences in business and the agricultural industry will be an asset to our organization and to conserving Wyoming's agricultural heritage," said executive director, Jessica Crowder. "We are excited to welcome Laurie to the Wyoming Stock Growers Land Trust Board of Directors."

Members of the Board of Directors are responsible for establishing the organization's mission, determining strategic direction, setting policies to carry out the mission, and oversight of the organization's finances.

#### *About the Wyoming Stock Growers Land Trust:*

The Wyoming Stock Growers Land Trust is dedicated to conservation through ranching. Based in Cheyenne, the non-profit organization serves the entire state and is Wyoming's only agricultural land trust. Through partnerships with families, the Wyoming Stock Growers Land Trust holds and stewards agricultural conservation easements on more than 287,000 acres of land throughout Wyoming. Founded in 2000 by the Wyoming Stock Growers Association, it is one of the largest regional land trusts in the United States.
